I understand your offices are moving. Do you have a new mailing address?

Bob - I'll need to see the appendices before we release this as a public document. On a CD would be fine for now.

Thanks - Dave

New Bedford Modeling Update

Folks:

Draft ERDC LHCC model report. The appendices are not included. These Appendices will be voluminous. What do you think about putting them on CD in the back of the report? Pl. advise.

Thanks

Bob
